Dear Families,

Our Wildcats are working hard well into the third 9 weeks. Standardized testing is upcoming for students in 3rd and 4th grades. We are continuing our focus on school attendance. Attendance makes a profound impact on learning. Every day students are learning new academic skills and strategies. Please make attendance a priority for your child's education. Parents, teachers, and school staff want the best futures for our students and that starts with students being present and on time for school. Of course, if your child is sick, you will need to keep your child at home. As always, if your child is well and ready for learning, please have your student present and on time by 8:00am. Our teachers and staff prepare great lessons and want your child/children to meet their full potential.

Respectfully,

Missy Hooks
Principal
