Dear Families,

New Albany-Floyd County Schools is hosting a spring intersession from 8:00-11:00am at Grant Line Elementary the first week of spring break which is March 20-24. Students will focus on priority reading and math standards, have daily indoor/outdoor physical activity, transportation to and from school, free breakfast, and a visit from the Kona Ice Truck. Please call the front office if you are interested in signing up your child. This opportunity is great for any student that may need extra time and support in reading or math or may need a little more time to practice standards in order to become proficient.

Respectfully,

Missy Hooks
Principal
