Dear Families,

We have a scheduled asynchronous e-learning day on Tuesday, May 2. Students will bring home their Chrome Books on Monday afternoon, and teachers will have assigned work. Teachers will be available throughout the day to answer emails and check-in on students. Please reach out to your child's teacher if you have any questions during the day. Teachers will respond in a timely manner. Thanks for supporting your child's education. Our Wildcat Families are the best!

Respectfully,
Missy Hooks
