Principal's Message

Dear Families,

Great attendance is extremely important to your child's learning and development. Did you know that missing 2 days a month adds up to 10% of the school year? When a student misses 18 or more days that is considered chronic absenteeism by the Indiana Department of Education. Students that are chronically absent in grades K-2 are much less likely to read on grade level by 3rd grade. We want our Wildcats here every day and on time. Thank you so much for supporting your child's education.

Respectfully,

Missy Saxon
Principal

Celebrate Science!!!!

Dear Green Valley Families,

It's Science Fair time again! Science Fair participation will help your child develop problem solving skills, critical thinking skills, and of course discover a love for science! In preparation for the Science Fair, Green Valley students will be exploring scientific activities in their classrooms during the week of February 5th-9th.

Each participating student must adhere to the NAFCS Mandatory Science Fair Rules. All projects must be completed at home and will be due Friday, March 1st. Judging will take place on Tuesday, March 5th. Science Fair awards night will be held at 6:00 on Thursday, April 4, 2024 at Grant Line Elementary.

Please return the bottom portion to your child's teacher by Tuesday, January 30, 2024.
