## Principal's Message

Most of our 3rd graders have finished testing. We only have a few make ups to complete. Our 4th graders began testing this Wednesday. Please keep encouraging your child to do the best work possible each day. Thanks to all of you that sent in snacks for our students. Testing is hard work and our students were well nourished. Volunteer forms for field day also went out on Wednesday. Thanks for supporting your child's education.

Respectfully,

**Camp Director: Fonso White, Floyd Central Varsity  
Coach**

It's an exciting time to be around Floyd Central Basketball! Coach Fonso White is committed to building a selfless successful culture at every program he has led. White has coached at both the collegiate and high school levels, his ability to develop young talent and create togetherness both on and off the court is outstanding.

Our entire program is dedicated to our motto, WE over ME. In order to push through the Hoosier Hills Conference and into this great state of Indiana High School Basketball Tournament, we must stay committed to the process and bring an attitude that embraces the will to improvement every single day. We have some key returning student athletes eager to make Floyd Central's mark on the state of Indiana.

With the start of a new season and summer, we'd hope you will get a glimpse firsthand of what Floyd Central Basketball is all about. Summer camp is not only an opportunity to improve your skills but to meet FC Varsity players and staff, make new friends and have some fun!

**Daily Schedule:** Camp this year will focus on instruction in team offensive and defensive concepts that will be taught throughout the FC program in 2024-25.
